In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), I authorize the Guaranteed Education Tuition Program and the college listed above to disclose to each other personally identifiable information, including the Student Beneficiary's Social Security number and any other account information necessary to make a distribution from my GET account. This distribution or reimbursement is to pay for qualified higher education expenses as defined by Internal Revenue Code Section 529. I understand that I am responsible for determining whether the expenses for which these funds are used are qualified or non-qualified, and for reporting the 10 percent of earnings penalty for non-qualified distributions on my federal tax return. Qualified higher education expenses include the costs of tuition, fees, books, supplies, and equipment required for the enrollment or attendance at an eligible institution. IRS rules on qualified and non-qualified higher education expenses are available at www.irs.gov/pub/irs-pdf/p970.pdf 		<ul style="list-style-type: none"> It is my responsibility to monitor the available units in my GET account as well as the balance owed on my college account and the tuition due dates. I have verified the payment amount due. I understand that charges not covered by GET funds are my responsibility and that, at the discretion of the college, late fees may accrue on past due charges. If the student withdraws from college, non-refundable fees and tuition owed to the college will be paid from GET distributions. Overpayments to colleges due to withdrawal or dropped classes will not be returned to your GET account and may have tax consequences when refunded to the student. Requests for distribution may not exceed the balance remaining in the Student Beneficiary's GET account for that academic year. <u>The information provided on this form is true and correct to the best of my knowledge and belief.</u>
